All the Time

Johnny Mathis

I want you with me all the time
Sunrise and sunset and all the time
You are the one love I'm leaving for
Had we just begun, love
Could I love you more?Warm as the May wine, wild as the sea
These are the feelings you waken in me
I've had my moments and a dream or two
But I needed someone all the time
And all the time it was youWarm as the May wine, wild as the sea
These are the feelings you waken in me
I've had my moments and a dream or two
But I needed someone all the time
And all the time it was you
