Fifteen

Aiden

Fifteen I'm strung out
once again and kicked out
I think well I'm on my own,
I'm on my own now,
sixteen and I said goodbye
to those I knew I'll never see
well I can't see home
I cant see home now
when I look at the path
That I chose and I'll say to you
Live Fast Die Young
we'll stay out on the run
so live fast and die young
Live Fast Die Young
we'll stay out on the run
so live fast and die young
Seventeen I'm sleepin on the
streets and no hope
I think well I'm in the cold
I'm in the cold now,

I look to a god I said
in my own life
I'll never see well
I can't see home
I can't see home now
when I look at the path
that I chose and I'll say to you.
Live Fast Die Young
we'll stay out on the run
so live fast and die young
Live Fast Die Young
we'll stay out on the run
so live fast and die young
We'll cherish every moment last forever,
We'll cherish every moment now,
We'll cherish every moment last forever,
We'll cherish every moment now,(x3)
