Step Aside

Devour The Day

You have no idea
How hard I will laugh
When the world
Chews you up
That will spit out
You without a doubtMirriors and smoke
You're the worst fucking joke
I've ever heard
Out of sight
Out of mind
I will make it disappearStep aside
You parasite
You are the reason no one cares
It's so clear to me
You haven't the strengthThen you hang
On the words
Of who has control
You do what you've told
You lay on your back
And beg for the scrapsThey feed to you
Out of sight
Out of mind
I will make it disappear
Step aside
You parasiteYou are the reason no one cares
Step aside
Parasite
Step aside
Parasite
Out of sight
Out of mind
I will make it disappearStep aside
You parasite
You are the reason no one cares
You parasite
You parasite
