

Skin Poppin' Slut

Dwarves

Hey hey, what's what?
Skin poppin' slut
Hey hey, what's what?
Skin poppin' slut
and she owes me five bucks
That bitch, five bucks
Five bucks, one fuck, Skin poppin' slut, yeah...
Hey hey, what's what?
Think she's so tough. N' she's so tough
That fuckin' slut.
She fucked King Tut
That bitch, King Tut
So what- so what
Skin poppin' slut
You're going straight to hell now
Well I'm just a slut
I never get enough
I'm just a fuckin slut
I never get enough
I never get enough
I never get enough
Hey hey
