

# Boy Next Door

Stevie Brock

Umm, yeah, yeah, yeah  
Never ever in a million years  
Was this what I was thinking of  
Crazy somehow it never crossed my mind  
My first friend becoming my first love  
Used to be the one who play with my toys  
And never would of thought of you as a boyfriend  
If you'd asked who I was looking for  
I would have said someone like the boy next door  
Growing up if you had ever told me  
You'd be the one I'd be wanting to hold me  
I would have laughed and said you were crazy  
Never be with the boy next door  
So hold you, showed you, everything in my life  
When we go cruising in your ride  
So why was I taken by surprise  
Found love growing in my own backyard  
Playing hide an seek  
In the summer heat  
Didn't wanted to go inside  
Wanna hang out until sunrise  
Whenever I was down, never had a doubt  
You wouldn't be in my life  
Whenever anyone saw me  
They saw you too, yeah  
Used to be the one who play with my toys  
And never would of thought of you as a boyfriend  
If you'd asked who I was looking for  
I would have said someone like the boy next door  
Growing up if you had ever told me  
You'd be the one I'd be wanting to hold me  
I would have laughed and said you were crazy  
Never be with the boy next door  
Used to be the one who play with my toys  
And never would of thought of you as a boyfriend  
If you'd asked who I was looking for  
I would have said someone like the boy next door  
Growing up if you had ever told me  
You'd be the one I'd be wanting to hold me

I would have laughed and said you were crazy  
Never be with the boy next door  
Playing hide an seek  
In the summer heat  
Didn't wanted to go inside  
I wanna hang out until sunrise  
Whenever I was down, never had a doubt  
That you wouldn't be in my life  
Whenever anyone saw me  
They saw you too  
Used to be the one who play with my toys  
And never would of thought of you as a boyfriend  
If you'd asked who I was looking for  
I would have said someone like the boy next door  
Growing up if you had ever told me  
You'd be the one I'd be wanting to hold me  
I would have laughed and said you were crazy  
Never be with the boy next door  
Used to be the one who play with my toys  
And never would of thought of you as a boyfriend  
If you'd asked who I was looking for  
I would have said someone like the boy next door  
Growing up if you had ever told me  
You'd be the one I'd be wanting to hold me  
I would have laughed and said you were crazy  
Never be with the boy next door
