Whistle While You Work

Kai Winding

When the work begins to pile up,
And your temper starts to rile up,
That's the time a fellow needs a song.Doctor, Banker, Butcher, Baker,
You can be a merry maker,
If you'll keep on singing all day long.If you're hanging in suspense from eight till five,
And you want to keep the sense of humor alive.
Just, whistle while you work (whistle)
Put on that grin and start right in,
To whistle loud and long.Just hum a merry tune (hum)
Just do your best,
Then take a rest and sing yourself a song.When there's too much to do,
Don't let it bother you,
Forget your trouble, try to be just like a cheerful chick-a-dee,
And whistle while you work (whistle)Come on get smart
Tune up and start
To whistle while you work.
