

# Get Myself to Saturday

## Michael Franti & Spearhead

I never knew that life was simple but could have so many wrinkles  
The potholes and the pitbulls and my bankrolls and my pimples  
All the things that I be stressing only keep me from the blessings  
I'm falling down and standing up and walking through the lessons  
There is a part of me that always means to  
pray  
And there is a part of me that wants to run away  
And there is a part of me that can't go on today  
And there is a part of me that always finds a way  
But I'm looking for a way to get myself to Saturday  
Looking for a way to get myself to Saturday  
Looking for a way to get myself to Saturday  
Looking for a way to get myself to Saturday  
I raise my hands up to the sky and sometimes I wonder why  
The blessed people in the world always seem to fly away  
My mama is an angel and taught me to live proper  
Didn't know him very well, but I'm glad I met my papa  
There is a part of me that always means to pray  
And there is a part of me that wants to run away  
And there is a part of me that can't go on today  
And there is a part of me that always finds a way  
But I'm looking for a way to get myself to Saturday  
Looking for a way to get myself to Saturday  
Looking for a way to get myself to Saturday  
Looking for a way to get myself to Saturday  
(Yeah) It's alright, it's alright  
It's alright, it's alright, it's alright  
It's alright, it's alright  
It's alright, it's alright, it's alright  
I'm looking for a way to get myself to Saturday  
Looking for a way to get myself to Saturday  
I'm looking for a way to get myself to Saturday  
I'm looking for a way to get myself to Saturday  
I'm looking for a way to get myself to Saturday  
Looking for a way to get myself to Saturday  
Looking for a way to get myself to Saturday  
I'm looking for a way to get myself to Saturday  
(Yeah) I'm looking for a way to get myself to Saturday  
Looking for a way to get myself to Saturday  
I'm looking for a way to get myself to Saturday  
I'm looking for a way to get myself to Saturday  
(Looking for a way to get myself to Saturday)
