

# When the Stars Go Blue

[Bethany Joy Lenz](#)

Dancin' where the stars go blue  
Dancin' where the evening fell  
Dancin' in my wooden shoes  
In a wedding gownDancin' out on 7th street  
Dancin' through the underground  
Dancin' little marionette  
Are you happy now?Where do you go when you're lonely  
Where do you go when you're blue  
Where do you go when you're lonely, I'll follow you  
When the stars go blue  
When the stars go blue  
BlueLaughing with your pretty mouth (Laughing with your pretty mouth)  
Laughing with your broken eyes (Laughing with your broken eyes)  
Laughing with your lover's song  
In a lullabyWhere do you go when you're lonely  
Where do you go when you're blue  
Where do you go when you're lonely, I'll follow youWhere do you go when you're lonely  
Where do you go where you're blue  
Where do you go when you're lonely I'll follow you  
Follow youYeah yeah, when the stars go blue  
When the stars go blue  
When the stars go blue  
When the stars go blueWhere do you go when you're lonely  
Where do you go when the stars go blue
