Lady

Stryper

I see you standin' there, oh so fine
I can't believe my eyes
Girl, I just can't seem to make you mine
No matter how hard I try
I've never wanted any one more than you
Girl, I'm hopin' that you're wantin' me too
Lady, I wanna be your man
Lady
Won't you tell me what I've gotta do
To win over your heart
This feeling inside is something new
It's tearin' me apart
I never dreamed, I would meet someone like you
Oh darlin' tell me that you're feelin' it too
Lady, I wanna be your man
Lady
Baby, I'll love you all I can
Lady
Lady, I wanna be your man
Lady
Baby, I'll love you all I can
Lady
