## Resist

## Rush

I can learn to resist Anything but temptation I can learn to co-exist With anything but painI can learn to compromise Anything but my desires I can learn to get along With all the things I can't explainI can learn to resist Anything but frustration I can learn to persist With anything but aiming lowI can learn to close my eyes To anything but injustice I can learn to get along With all the things I don't knowI can learn to resist Anything but temptation I can learn to co-exist With anything but painI can learn to compromise Anything but my desires I can learn to get along With all the things I can't explainYou can surrender Without a prayer But never really pray Pray without surrenderYou can fight Fight without ever winning But never ever win Win without a fightI can learn to close my eyes To anything but injustice I can learn to get along With all the things I don't knowI can learn to close my eyes
