

# Consternation

## Katatonia

Wave back at me  
Back is turned (back is turned)  
If I failed once  
The circuit burns  
Saw you then I let go  
You failed  
Nothing less incarnate  
Until I get there  
Then I will be  
Until I get there  
Then I will be  
Consternation  
Eternal source  
Overthrown  
Stray from course
