

# I Have a Date (The Simpletones cover)

## The Vandals

I saw a girl and she drove me wild  
She looked at me and I looked and smiled  
The cutest girl you'd ever see  
I never dreamed she'd go out with me We met at school so I asked her out  
The only girl I ever thought about  
She's sixteen and she's so divine  
I never thought I could make her mine I'm in love, I just can't wait, tonight I have a date  
I have a date with the cutest girl in town  
I have a date and I'm the happiest boy around  
I'm in love. I just can't wait 'cause tonight I have a date Went to the movies in my parents car  
I never dreamed I'd get that far  
I picked her up at a quarter to eight  
I got there early I didn't want to be late I never thought it would come to this  
I drove her home and she gave me a kiss  
I'm in love and it's here to stay  
She said she really wants to see me again I'm in love, I just can't wait, tonight I have a date  
I have a date with the cutest girl in town  
I have a date and I'm the happiest boy around  
I'm in love. I just can't wait 'cause tonight  
I have a date
