Linkin Park

Why does it feel like night today
Something in here's not right today
Why I am so uptight today
Paranoia's all I got left
I don't know what stressed me first
Or how the pressure was fed
But I know just what it feels like to
Have a voice in the back of my head
Like a face that I hold inside
A face that awakes when I close my eyes
Face that watches every time I lie
Face that laughs every time I fall
And watches everything
So I know that when it's
Time to sink or swim
The face inside is hearing me
Right beneath my skin
It's like I'm paranoid looking over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within
It's like the face inside is right beneath my skin
Hey yo, here we go again with the pain I feel isn't real but in my mind
But I find myself in places with names, but not faces
My memory races at speeds, hundred degrees
My soul it bleeds devil must've planted the seed
Now it feels like my backs against the wall, I'm taking the fall
Whenever I call nobody's responding at all
But I don't know who I could trust they screaming my name
I need somebody to help me out of the flame
All I'm trying to do is just master me
All I want to do is smoke a blaster beat
But something keeps talking to me consciously
Responsibly it keeps haunting me
From dusk till dawn everything has something for ya
That voice inside of your head got you projecting paranoia
Cold sweat shining on your face exposing your purpose and if I
Ripped off your skin I'll probably find another verse
It's nothing worse than trying to bring yourself up back from the dead
So I advise you listen to that voice in the back of your head

It's like I'm paranoid looking over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within
It's like the face inside is right beneath my skin
It's like I'm paranoid looking over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within
It's like the face inside is right beneath my skin
The face inside is right beneath your skin
The sun goes down
I feel the light betray me
The sun goes down
It's like I'm paranoid
I feel the light betray me
The sun
It's like I'm paranoid looking over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within
It's like the face inside is right beneath my skin
It's like I'm paranoid looking over my back
It's like a whirlwind inside of my head
It's like I can't stop what but I'm hearing within
It's like the face inside is right
It's like I'm paranoid looking over my back
It's like a whirlwind inside of my head
It's like I can't stop what but I'm hearing within
It's like the face inside is right
Beneath my skin
