

Enchanted

Owl City

There I was again tonight forcing laughter, faking smiles
Same old tired, lonely place, walls of insincerity
Shifting eyes and vacancy vanished when I saw your face
All I can say is it was enchanting to meet you Your eyes whispered, "Have we met?"
Across the room your silhouette starts to make its way to me
The playful conversation starts Counter all your quick remarks like passing notes in secrecy
All I can say is it was enchanting to meet you
Oh Taylor, I was so enchanted to meet you too This night is sparkling, don't you let it go
I'm wonderstruck, blushing all the way home
I'll spend forever wondering if you knew
I was enchanted to meet you too The lingering question kept me up, 2 a.m., who do you love?
I wondered till I'm wide awake
Now I'm pacing back and forth, wishing you were at my door I'd open up and you would say
Hey, it was enchanting to meet you
Oh Taylor, I was so enchanted to meet you too This night is sparkling, don't you let it go
I'm wonderstruck, blushing all the way home
I'll spend forever wondering if you knew
I was enchanted to meet you too This is me praying that this was the very first page
Not where the story line ends
My thoughts will echo your name until I see you again
These are the words I held back as I was leaving too soon
I was enchanted to meet you too Please don't be in love with someone else
Please don't have somebody waiting on you
Please don't be in love with someone else
Please don't have somebody waiting on you This night is sparkling, don't you let it go
I'm wonderstruck, blushing all the way home
I'll spend forever wondering if you knew
This night is flawless, don't you let it go I'm wonderstruck, dancing around all alone
Taylor, I'll spend my whole life wondering if you knew
I was enchanted to meet you too I was never in love with someone else
I never had somebody waiting on me
'Cause you were all of my dreams come true and I just wish you knew
Taylor, I was so in love with you
