

Unconscious Pleasure (2006 Re-Dissection)

Avulsed

A Travel Of Pleasure,
Uncontainable Desire
He Couldn't Resist,
And She Started To Suck
Climax To The Limit,
Control Starts To Miss Unconscious Of The Danger
Their Minds Are Flying Away
Responsibility And Pleasure
Two Incompatible Terms
The Car Is Going To Crash
There's No Time To React
A Violent Accident, Cut Off Their Lives Spared Pieces Of Flesh
Totally Calcinated
Nothing Was Recognizable But Right After The Autopsy
Everything Was Cleared Up
She Died By Asphyx
And His Dick Was Out Of Place
