

All I Need

Shawn McDonald

As I sit here and think about all that You've done
About how You gave me Your one and only Son
And I'm trying to fathom all that You are, but live so far, Lord
You're so beyond me I fall down in reverence and I fall down in fear
And I'm asking You, Lord, won't You please draw near?
Won't You open my eyes, so that I can see
The way that You are working in me All I needed is Your love
To come and fill this heart of mine
My heart is a desert that has gone dry
And I need Your love to carry me by, by, by, by, by
To carry me by, by, by, by, by
To carry me by And I lay down my life and I put it before You
All that I am is in Your hands
And I'm not going to question, why You're so faithful
Why that You give me the blessing that You have Let the glory be known, let the glory be shown
To lift You up unto the throne
You are my God, You are my King
To You I give, I give You everything All I needed is Your love
To come and fill this heart of mine
My heart is a desert that has gone dry
And I need Your love to carry me by All I needed is Your love
To come and fill this heart of mine
My heart is a desert that has gone dry
And I need Your love to carry me by, by, by, by, by
To carry me by, by, by, by, by
To carry me by, laughing by, laughing by All that I need is your loving, my Lord
All that I need is your loving, my Lord
All that I need is your loving, my Lord
All that I need is your loving, my Lord All I needed is Your love
To come and fill this heart of mine
My heart is a desert that has gone dry
And I need Your love to carry me by All I needed is Your love
To come and fill this heart of mine
My heart is a desert that has gone dry
And I need Your love to carry me by, by, by, by, by
To carry me by, by, by, by, by
To carry me by, by, by, by, by All that I need
All that I need
All that I need
