

This Masquerade

George Benson

Are we really happy
With this lonely game we play?
Looking for the right words to say Searching but not finding
Understanding anywhere
We're lost in this masquerade Both afraid to say we're just so far away
From being close together from the start
We tried to talk it over but the words got in the way
We're lost inside this lonely game we play Thoughts of leaving disappear
Each time I see your eyes
And no matter how hard I try To understand the reasons
Why we carry on this way
We're lost in a masquerade We tried to talk it over but the words got in the way
We're lost inside this lonely game we play Thoughts of leaving disappear
Each time I see your eyes
And no matter how hard I try To understand the reasons
Why we carry on this way
We're lost in a masquerade
We're lost in a masquerade And we're lost in a masquerade...
