Human

Krewella

Is anybody there
Does anybody care what I'm feeling?
I wanna disappear
So nobody could hear when I'm screamin'
'Cause I could use a hand sometimes
Yeah I could use a hand sometimesThey say pain is an illusion
This is just a brusin'
You are just confused but I am only human
I could use a hand sometimes, I am only human
I am only human
I am only humanThe night is bitter cold
I wonder if you know that I'm sleepless
Waitin' like a ghost when I need you the most
I go unnoticed
'Cause I could use a hand sometimes
Yeah I could use a hand sometimesThey say pain is an illusion
This is just a brusin'
You are just confused but I am only human
I could use a hand sometimes, I am only human
I am only humanThe weight of the world is pulling me down
(Where are you now? Where are you now?)
Every breath feels like I'm gonna drown
(Where are you now? Where are you now?)I'm the only one left alone on this earth
(Left on this earth, this earth)Singing this song but I can't find the words
'Cause I could use a hand sometimes
Yeah I could use a hand sometimesThey say pain is an illusion
This is just a brusin'
You are just confused but I am only human
I could use a hand sometimes, I am only human
