

Always Look on the Bright Side of Life

Eric Idle

Some things in life are bad
They can really make you mad
Other things just make you swear and curse
When you're chewing on life's gristle
Don't grumble, give a whistle
And this'll help things turn out for the best...
And.....always look on the bright side
of life...
(Whistle)Always look on the light side
of life...
(Whistle)If life seems jolly rotten
There's something you've forgotten
And that's to laugh and smile and dance and sing
When you're feeling in the dumps
Don't be silly chumps
Just purse your lips and whistle
- that's the thing.
And...always look on the bright
side of life...
(Whistle)Come on.Always look on the right side
of life...
(Whistle)For life is quite absurd
And death's the final word
You must always face the curtain
with a bow
Forget about your sin - give the
audience a grin
Enjoy it - it's your last chance
anyhow.So always look on the bright side
of death...
(Whistle)a-Just before you draw your terminal breath...
(Whistle)Life's a piece of shit, when you look at it
Life's a laugh and death's a joke, it's true
You'll see its all a show, keep 'em laughin as you go
Just remember that the last laugh is on youAnd...
Always look on the bright side
of life...
(Whistle)Always look on the right side
of life...C'mon Brian, cheer upAlways look on the bright side

of life...Always look on the bright side
of life...Worse things happen at sea you know.I mean - what have you got to lose?
You know, you come from nothing
- you're going back to nothing.
What have you lost? Nothing.Always look on the right side
(I mean) of life...what have you got to lose?
You know, you come from nothing
- you're going back to nothing.
What have you lost?Always (Nothing.) look on the right side of life...Nothing will come from nothing ya know
what they say?
Cheer up ya old bugga c'mon give us a grin!
There ya go, see!Always look on the right side of life...
(Cheer up ya old bugga c'mon give us a grin! At same time)There ya go, see!
