Gotta Have You

Pleasure P

Come get this pleasure
Shawty see about this pleasure
Come get this pleasure
Shawty see about this pleasure

Verse 1:
Heard you got a brand new man with a CL6
And he be callin you shawty
Heard you told him we was old friends
When you know you use to really be my shawty

Hook:
You remember the weekend
You remember the freakin
You remember bein the only girl that I was seein
You was close to my mama, never gave me no drama
Tyrna figure out how I let you get away

Chorus:
oh oh ooo I need you back in my life, back in my right
oh oh ooo out here wasting my time, losing my mind
Gotta have you (8x)
oh oh ooo I didnt know what I was leaving girl; gotta have you

Verse 2:
Heard you takin first class trips even shoppin sprees
Now is it like that shawty
Saw you ridin by with your peeps now you cant even speak
Is it really like that shawty

Repeat hook and chorus

Come Get this pleasure
Shawty see about this pleasure
Come get this pleasure
Shawty see about this pleasure
