

# Fine Time

Robert Palmer

That's okay, one, two  
One, two, three, four This a fine time to tell me  
That you wanna stay here  
This is a fine time  
For you to let me know This is a fine time  
For you to let me know  
You wanna play  
This is a fine, fine time  
For you to let me know You didn't waste any time  
In telling me how well you behaved  
But you, but you, sure as dropped me a line  
'Bout patience and danger when meeting a stranger  
And I know you may be friend This is a fine time to tell me  
To let me know  
Oh yes, oh yes darlin' it is  
This is a fine time  
For you to let me know  
Let me know This is, this is, this is  
This is a fine time, yeah  
That you wanna stay  
This is a fine time  
For you to let me know Oh this is a fine time  
For you to let me know  
That you wanna play  
This is a fine time  
For you to let me know I've been wastin' time  
In tellin' me how well you behaved  
And you, you sure as dropped me a line  
'Bout patience and danger, when meeting a stranger  
Without the [Incomprehensible]  
You were the [Incomprehensible] This is a fine time to tell me  
Let me know you wanna stay here  
This is a fine time  
For you to let me know This is a fine time to let me know  
This is a fine time to let me know  
This is a fine time to let me know
