I think I am Am I the friend? I think I am Am I the man? I think I wanna be, heyI never had a day where money didn't get in my way I never listened to much Elvis And I can't remember a warm DecemberAm I the son? I think I am Am I the friend? I think I am Am I the man? I think I wanna beI'm here for my sanity, sanity I am here for you And I'm here for your fantasy, sanity I am here, I amAm I the son? I think I am Am I the father? That I think I am Am I the man? I think I wanna beI'm here for my sanity, sanity I am here for you Whether or not I'm walkin' in or whether or not I'm walkin' out I'm always here for you, hey, heyAnd I'm here for my sanity, sanity I am here for you I'm here for my fantasy, sanity
