

Another Day - xKore Remix

Modestep

'Cause tomorrow is another day All your worries leave your side
Free your mind
'Cause tomorrow is another day
When you feel like moving on
Just stay strong
'Cause tomorrow is another day All your worries leave your side
Free your mind
'Cause tomorrow is another day
When you feel like moving on
Just stay strong
'Cause tomorrow is another day 'Cause tomorrow is another day
'Cause tomorrow is another day
'Cause tomorrow is another day
'Cause tomorrow is another day Tomorrow is another day No worries, no troubles
Erase your mind and find a way
Keep smiling, keep fighting
Live for each moment and day
While we're rising
Life's been compromising
So just live for the moment and save
All your worries for another time
'Cause tomorrow is another day All your worries leave your side
Free your mind
'Cause tomorrow is another day
When you feel like moving on
Just stay strong
'Cause tomorrow is another day All your worries leave your side
Free your mind
'Cause tomorrow is another day
When you feel like moving on
Just stay strong
'Cause tomorrow is another day 'Cause tomorrow is another day
'Cause tomorrow is another day
'Cause tomorrow is another day
