There's a Reason

Slick Shoes

I know we can talk about it
I know we can live without it
What makes you feel this way?
I wish I could sayI know we can get through it
What will it take to make it?Does it seem that hard?Why do I feel this way?
It happens everyday
When will it go away?
This sickness killing meWhen will it be okay?I know we can get through it
What will it take to make it?Does it seem that hard?In the back of my mind, it gets me every time
In the back of my mind, it gets me every time
