Habibi, I love you
I need you, Habibi
Demuestrame tu devociÃ³n
Habibi, I love you
I need you, Habibi
Si yo soy tu luna y tu sol
oh
ohohohohohohohoho
Por ti senti amor a primera vista
Libre como un canto sobre la brisa
Esa sonrisa es la que me hace vivir
Hacer vivir
Hablame de amor que yo te oigo
En mi corazÃ³n hay un tesoro
No tienes que ser el lo al otro
Lo tienes amor
Ohhh!
Ya habibi la la
Regresa, ando yo sin rumbo
Mi corazÃ³n camina hacia a ti.
Habibi, I love you
I need you, Habibi
Demuestrame tu devociÃ³n
Habibi, I love you
I need you, Habibi
Si yo soy tu luna y tu sol
Oooh!
I play this game closely
For the bread and butter huh!
Yeah they try to toast me
I'm married to the game
But the game don't love me
Hey don't leave me in a heartbeat
That's why I'm cold-blooded
When I say I love you, I mean it deeply
I can't see life without you living with me

And if you love someone I know you feel me
When I say before they take you they want to kill me
I'm talking they gonna have to army marine navyseal me
Yeah the world knows Pitbull babe
you know the real me
I play any hand that deal me
So tell that dealer he gon' have that deal with me
even when you don't I'mma hunt you like a Chris Reber
time out final fall!
So til' the sky comes crushing down
World falls apart
'til death do us part
You're my heart for so!
habibi, i love you
habibi, i need you
laat me zien dat je bij me wilt zijn
Khalliwni hdak
Haja wahda ghankulhalek
Men had lahda wejdi halek
Kul sa'ada nwerrihalek
W'entir ana w yak
Ohhh!
Ya habibi la la
Haram A'lik tkhallini wahdi f yoom
yemchi men e'ini noom men khufi a'lik
