

Help Me Stay Alive

Korn

Are you ready for a good pounding baby? (get down)
Are you ready to get it on? (get down, get down)
Don't pretend you're not fucking freaky baby (get down)
I will spank that ass just for fun (get down on the ground) Ass up high
Make a motherfucker cry
It's so good that I could die
Help me stay alive The time is right
I want to feel it good tight
I'm down to do this all night
I'm gonna beat it up right I'll behave
Oh my god
Make me beg
My god
Yes I'm ready for a good flogging baby (my god)
Come on beat my ass for fun (get down, get down)
Don't let up till my ass is bleeding baby (get down)
Don't let up until you are done (get down, on the ground) Ass up high
Make a motherfucker cry
It's so good that I could die
Help me stay alive The time is right
I wanna feel it good tight
I'm down to do this all night
I'm gonna beat it up right We're gonna ride
I got my tongue inside and outside now
Don't try to run and hide
Yes it's true what they say about my kind Are you ready for a good pounding baby? (get down)
Are you ready to get it on? (get down, get down)
Don't pretend you're not fucking freaky baby (get down)
I will spank that ass just for fun (get down, on the ground) Ass up high
Make a motherfucker cry
It's so good that I could die
Help me stay alive The time is right
I wanna feel it good tight
I'm down to do this all night
I'm gonna beat it up right
