Smile

Lily Allen

When you first left me
I was wanting more
But you were fucking that girl next door
What'd you do that for?When you first left me
I didn't know what to say
I'd never been on my own that way
Just sat by myself all dayI was so lost back then
But with a little help from my friends
I found the light in the tunnel at the endNow you're calling me up on the phone
So you can have a little whine and a moan
And it's only because you're feeling alone[Chorus]
At first when I see you cry
Yeah, it makes me smile
Yeah, it makes me smile
At worst I feel bad for awhile
But then I just smile
I go ahead and smileWhenever you see me
You say that you want me back
And I tell you it don't mean jack
No, it don't mean jackI couldn't stop laughing
No, I just couldn't help myself
See, you messed up my mental health
I was quite unwellI was so lost back then
But with a little help from my friends
I found the light in the tunnel at the endNow you're calling me up on the phone
So you can have a little whine and a moan
And it's only because you're feeling aloneAt first when I see you cry
Yeah, it makes me smile
Yeah, it makes me smile
At worst I feel bad for awhile
But then I just smile
I go ahead and smileAt first when I see you cry
Yeah, it makes me smile
Yeah, it makes me smile
At worst I feel bad for awhile
But then I just smile
I go ahead and smile
