Embrace

Goldroom

Itâ€™s hard to listen so
Then Iâ€™m gonna make you run around
Cause you seem soâ€¦once again
Stand up and get caught questions right
Visions of tight eyes
There are things that I need to say
Things that I need to find a way to rest my head
Come right now
Now that you walk away
Gonna let you walk away
Cause I think itâ€™s you
Iâ€™ve been thinking bout you everyday
See you in the night
So easy get to your embrace
Itâ€™s like you never went away, oh
Like a mistake you make
Iâ€™m feeling I could save the day
Warming in your embrace
Follow through the hollow race

Didnâ€™t wanna make you run around
Cause it seems that you died once again
Not lying down again
Stair openâ€¦
Blurry visions of tight eyes
Gotta love things that I need to see
Gotta love the things that I need too
Flying to rest my head
Just trying to cut my eyes
Gotta let you walk away
Better let you walk away
Cause Iâ€™m digging soon

Iâ€™ve been thinking bout you everyday
I see you I can run my away
So easing into your embrace
Itâ€™s like you never went away
I canâ€™t escape away
Feeling left to save the day

Love hoping it can make its way
Iâ€™ve been falling for you babe

Iâ€™ve been thinking bout you everyday
I see you I can run my away
So easing into your embrace
Itâ€™s like you never went away
I canâ€™t escape away
Feeling left to save the day
Love hoping it can make its way
Iâ€™ve been falling for you babe

Iâ€™ve been thinking bout you everyday
I see you I can run my away
So easing into your embrace
Itâ€™s like you never went away
I canâ€™t escape away
Feeling left to save the day
Love hoping it can make its way
Iâ€™ve been falling for you babe
