Street Clothes (James Pants Remix)

Fool's Gold

Close your eyes
Pack your things
You can be someone elseChoose a road
Abandon love
Make yourself reappearIs what you are not what you say?
Is what you say not what you are?Theres no holding back
Theres no holding back
Theres no holding back
Theres no holding back
Fix your coat
Tie your shoes
You control every moveMake your mark
On this room
Theres nobody but youIs what you are not what you say?
Is what you say not what you are?
Theres no holding back
Theres no holding back
Theres no holding back
Theres no holding back
