

Raven

Jewel

Fly like a raven
Black honey into the night
Soft like the air beneath
A swan in her flight
Then return back home to bed
Bring the dancing stars
Sleep and dream of a white wolf howling
And know that I am nearShh,
Close your eyes
Don't ask why
Let's dream together you and I
Oh, close your eyes
We will fly
Dreaming together you and IThe moon has sailed
In a silver gown of stars
That's long but not forever
Soon our love will rise as mine
And sing to the shadows
Tomorrow we shall rise with the dawn
Kiss the flowers and blooms
But now lie still as the wind and listen
For I will come to you with the foot steps of morningShh,
Close your eyes
Don't ask why
Let's dream together you and I
Ohh,
Close your eyes
We can fly
Dreaming together you and I
Dream,
Dream,
Dream,
Dream.
