

Communication

Far From Alaska

I didn't mean for any of this to happen
We sure have crossed the line
Nothing hunts us like the things we don't say
I saw you climbing the roof trying to concentrate But I'll never be the one who breaks
The silence you decreed
So, now I have to wait 'til your forget I'm still waiting for you,
I'm still waiting for a minimal communication Uh uh uh uh uh uh uh (3x)
For a minimal communication
