

On An Evening In Roma (Sott'er Celo De Roma)

Dean Martin

Como e bella ce la luna brille e strette
Strette como e tutta bella a passeggiare
Sotto il cielo di RomaDown each avenue or via, street or strata
You can see 'em disappearing two by two
On an evening in RomaDo they take 'em for Espresso
Yeah, I guess so
On each lover's arm a girl I wish I knew
On an evening in RomaThough there's grinning and mandolining
In sunny Italy
The beginning has just begun
When the sun goes downSo, please meet me in the plaza near your casa
I am only one and that is one too few
On an evening in RomaDon't know what the country's coming to
But in Rome do as the Romans do
Will you?
On an evening in RomaThough there's grinning and mandolining
In sunny Italy
The beginning has just begun
When the sun goes downComo e bella ce la luna brille e strette
Strette como e tutta bella a passeggiare
Sotto il cielo di RomaDon't know what the country's coming to
But in Rome do as the Romans do
Will you?
On an evening in Roma
Sott'er celo de Roma
On an evening in Roma
