Second Time Around

Blue Cheer

Listen here baby 'cause you outta time
I'm so sorry it's the end of the line
I don't know what to say, I don't know what to do
All I know, can not leave with youI'm so sorry, I'm bringing you down
Well, I'll make it up next time I'm around
Next time baby, I'll make it up to you
Yeah, yeahI told you once, I told you twice
You better straighten up child
You better fly right but you don't wanna listen to a thing I say
I'll put you away child for one more dayNow I'm so sorry, I'm bringing you down
I'll make it up next time I'm around
Well alright, this time baby, I'll make it up to you
YeahListen here, babe, it's the end of the line
I'm so sorry that you outta time
I don't know what to do, I don't know what to say
All I know, try to leave that wayNow I'm so sorry, I'm bringing you down
I'll make it up next time I'm around
Next time baby, I'll make it up to you
That's what I say, right
