

# Can We Still Be Friends?

**Mandy Moore**

We can't play this game anymore but  
Can we still be friends?  
Things just can't go on like before but  
Can we still be friends? We had something to learn  
Now it's time for the wheel to turn  
Grains of sand, one by one  
Before you know it, all gone Let's admit we made a mistake but  
Can we still be friends?  
Heartbreak's never easy to take but  
Can we still be friends? It's a strange, sad affair  
Sometimes seems like we just don't care  
Don't waste time feeling hurt  
We've been through hell together Can we still be friends?  
Can we still get together sometimes?  
Can we still be friends?  
You know that life will still go on We awoke from our dream  
Things are not always what they seem  
Memories linger on  
It's like a sweet, sad, old song Can we still be friends?  
Can we still get together sometimes?  
Can we still be friends?  
You know that life will still go on Can we still be friends?  
Can we still get together sometimes?  
Can we still be friends?  
You know that life will still go on
