

Dracula (Live at Rock Hard Festival 2008)

Iced Earth

Do you believe in love?
Do you believe in destiny?
True love may come only once in a thousand lifetimes...
I too have loved, they took her from me.
I prayed for her soul, I prayed for her peace
When I close my eyes
I see her face, it comforts me
When I close my eyes
Memories cut like a knife
The blood is the life, and Christ I defy.
My sworn enemy, birth of a new creed.
Is this my reward for serving God's own war?
The blood I've spilled for faith fulfilled.
To damn her, a disgrace, you spit back in my face.
I served you loyally, and you spew blasphemy.
I avenge with darkness, the blood is the life
The Order of the Dragon, I feed on human life
There are far worse things awaiting man than death
Come taste what I have seen
I'm spreading my disease
I will feed upon His precious child
The human race will bleed, they will serve my need.
I avenge with darkness, the blood is the life
The Order of the Dragon, I feed on human life
I am the Dragon of blood, a relentless prince of pain
Renouncing God on His throne
My blood is forever stained
For true love I shall avenge
I defy the creed that damned her
