

# San Antone

## Eli Young Band

I wanna but you a two dollar ride  
I wanna head down to Saint Antoine  
Take a stroll down the river side  
? and just take it slow!  
Feel the current running through my veins  
See it moving like a passing train  
Wanna head on down to Saint Antoine  
Fine a love that we can call our own

Now who are you?  
Maybe someday I will know  
Now who are you?  
Maybe someday I will know

Wanna drive the North to New Orleans  
Saint Charles lying down the ?  
Old man playing with the same smile ?  
The single I just like with lost, lost friends  
In the morning found ? outside  
? and watch the city rise

Been years since she ?  
Blue white girl you steal my heart from me

Now who are you?  
Maybe someday I will know  
Now who are you?  
Maybe someday I will know

There's a beat in march  
There's fire in my heart  
From the burning in your eyes  
And freedom in your arms  
There's a beating in my chest,  
Freedom in my heart!

Now who are you?  
Maybe someday I will know  
Now who are you?  
Maybe someday I will call you home!

Maybe someday I will call you home!

And I feel your ? eyes

Calling me to love!

Now who are you?

Now who are you?
