Yes, yes the original

Ricky, you the nigga don't forget it

Ricky, you the nigga don't forget it

Ricky, you the nigga don't forget it

Ricky, you the nigga don't forget it

Ricky, you the nigga don't forget it

Ricky, you the nigga don't forget it

Okay, okay, okay, okay

Okay, okay, okay, okay

Okay, okay, okay, okay

Okay, okay, okay, okay

Okay, okay, okay, okay

Okay, okay, okay, okay

Well as you know, thousand tear off they blouse  
Bear rounds, have a spouse, try 'member who house  
And big hitter in leavin' a fitter in literin'  
Get rid of considerin', rocks be glitterin'  
Walkin' over like a hawk and stalkin', king souls  
Every one walkin', one of a batch, want a hatch for a poppin'  
When a catch for a play in pass four and I'm in rap for  
As can vision upon pull, now it's all full to a rich or for the poor  
Without no more delays, sissy world flips, okay baby  
Because of our way, niggas yell Hip-Hip hoorayin'  
Is it? So as the next kiss it, and a sex miss it  
Remain the exquisite, as I shower the hits  
Best feel, let me see you overpower me twig, 'cuz I ship  
Blocks and blocks stare in the jocks  
Hip-Hop the fox, knock niggas out box  
Wit the fly green socks and the limelight flappin'

It's nothin' dap in this, so champion of rappin' is  
Brother girl fiend brought a jugga  
Though I overlook her, being dream but a hooker  
Yo who got things sowed, one guessed it  
Blessed wit kit kat messed wit  
Bulletproof vest sweat like doors like Coron'  
Hello psycho home, pass that microphone  
Hearin', whole world cheerin'  
None scarin', ain't million dollar ring wearin'

So let it me, as the world said it  
Cold sweat it, Ricky you the nigga don't forget it  
As I shower the hits, best split  
Or let me see you overpower me twig, cuz I ship  
Yo, why in the world is rap white wind  
Then sent for a mental, who dance or I enter  
Present to the fans, who want a picnic bent  
To get sent to spray praises on new found intellect  
Though I'm wetable, who fedible, unedible  
Mic said mad incredible  
Never heard of us, when your words are dusted  
Send you move like murderers, not murderers proud to say  
Girls go 'wow' and 'ow' to now show ya how to bow to  
Scoop-a, in the train goopa, don't bloop a  
What, Rick you playin supa dupa  
How Slick? Just, you must get the picture  
The one eyed kid, remain victor  
As I shower the hits, best split  
Or let me see you overpower me twig, 'cuz I ship
