## Sevendust

Voices call, they call out my name, my name, my name  
They say I'm different well I'm not the same, the same  
You say you want to be like me  
Well boy let me tell you, you don't know what I've seen  
They say the Devil lives in my soul  
I promise not to let him take control  
I'm minding my own business  
I ain't doing nothing wrong  
I ain't doing nothing wrong  
Shadows follow so close behind me  
I look in the mirror, I don't like what I see  
Oh God, can't you help me, get out of here, here  
I feel like I'm living deep in Hell  
I'm minding my own business  
I ain't doing nothing wrong  
I'm minding my own business  
I ain't doing nothing wrong  
I'm minding, I'm minding, my own  
I ain't doing nothing wrong  
I ain't doing nothing wrong  
Nothing wrong
