

Papa, Won't You Dance With Me?

Doris Day

Papa won't you dance with me
Oh dance with me, please dance with me
Papa take a chance with me
And dance with me tonight And when you whirl me
Round and round we'll go
Right off the ground we'll go
Around and round we'll go
We'll hear those trombones slidin' high
We'll both be glidin' high
Up in the sky, I love the polka Papa won't you dance with me
Oh dance with me, please dance with me
When you hold me, hold me tight
Oh papa won't you dance with me tonight Papa won't you dance with me
Oh dance with me, please dance with me
Papa take a chance with me
And dance with me tonight And when you whirl me
Round and round we'll go
Right off the ground we'll go
Around and round we'll go
We'll hear those trombones slidin' high
We'll both be glidin' high
Up in the sky, I love the polka Papa won't you dance with me
Oh dance with me, please dance with me
When you hold me, hold me tight
Oh papa won't you dance with me
Papa won't you dance with me
I said dance with me tonight.
