GARTNER, Wolfgang

Baby let's party all night long
Let's make it last forever
Baby let's party all night long
Let's make it last foreverYeah, I'm that boogaloo shrimp, no sip, polite
I'm a live it pimp up, brights right
I'm bustin' out of my cage cage
I won't go out to get real trashedRock 'n roll like Johnny Cash
Might crash, whip whip clash
Pedal to the metal while I'm pumpin' that gas
Party like it's the last dayBurn the town leave them all in place
Tonight I'm going and now I don't care about what you say
I will go out and do my way
Hey I will party pretty hard on the boulevardBaby let's party all night long
Let's make it last forever
Baby let's party all night long
Let's make it last foreverBaby let's party all night long
Let's make it last forever
