Still Blessed

The Perrys

Sometimes I wake up in the morning
I see I've made it through the night.
I listen for my family sure enough they're all right.
As we gather round the table bow our heads in thankfulness,
With tear filled eyes my heart cries â€œstill blessedâ€•

Chorus
Thereâ€™s never a day He doesn't give me all I need,
And when I wake up to the storm, my soul cries peace.
Sometimes I try to count them, they're too many I confess.
So with arms upraised I just say â€œstill blessedâ€•.

Now I don't want to leave my family
I don't want to leave my friends.
Oh but lately I've been homesick, how I long just to be with Him.
So in the morning should you find me with my eyes closed in death,
Oh what victory what glory â€œstill blessedâ€•
