

Born to Be My Baby (acoustic)

Bon Jovi

Rainy night and we worked all day
We both got jobs 'cause there's bills to pay
We got something they can't take away
Our love, our lives Close the door, leave the cold outside
I don't need nothing when I'm by your side
We got something that'll never die
Our dreams, our pride My heart beats like a drum (all night)
Flesh to flesh, one to one (and it's alright)
And I'll never let go cause
There's something I know deep inside You were born to be my baby
And baby, I was made to be your man We got something to believe in
Even if we don't know where we stand
Only God would know the reasons
But I bet he must have had a plan
'Cause you were born to be my baby
And baby, I was made to be your man Light a candle, blow the world away
Table for two on a TV tray
It ain't fancy, baby that's OK
Our time, our way So hold me close better hang on tight
Buckle up, baby, it's a bumpy ride
We're two kids hitching down the road of life
Our world, our fight If we stand side by side (all night)
There's a chance we'll get by (and it's alright)
And I'll know that you'll be live
In my heart 'til the day that I die 'Cause you were born to be my baby
And baby, I was made to be your man We got something to believe in
Even if we don't know where we stand
Only God would know the reasons
But I bet he must have had a plan
'Cause you were born to be my baby
And baby, I was made to be your man My heart beats like a drum (all night)
Flesh to flesh, one to one (and it's alright)
And I'll never let go cause
There's something I know deep inside 'Cause you were born to be my baby
And baby, I was made to be your man We got something to believe in
Even if we don't know where we stand
Only God would know the reasons
But I bet he must have had a plan 'Cause you were born to be my baby
And baby, I was made to be your man You were born to be my baby

And baby, I was made to be your man
