

All In Your Head

Peter Furler

You wait the moment like a watershed
When all you've heard and all you've read
Will push you toward your call

And you wait, the years ahead seem infinite
There's plenty of time to figure it out
And then you'll give your all
But you stall and you stall

Get up, get off your seat
Move your feet, just do what He said
It's all in your head, it's all in your head

Forgetting what's behind
Now's the time to go where you're led
It's all in your head, it's all in your head

You wait, you nod your head
And take some notes and cash your checks
And cast your votes and follow protocol

And you wait another verse, another song
A sinking sense you've got it wrong
You stumble and you stall
And you stall until that's all

Get up, get off your seat
Move your feet, just do what He said
It's all in your head, it's all in your head

Forgetting what's behind
Now's the time to go where you're led
It's all in your head, it's all in your head

And you wait
You save your best for last
And you wait
And then the moment's passed

Whatcha waiting for?

God's holding the door for you
Where ya hiding out?
There's so much more for you

If you need a prompt
He's draining the swamp for you
Ready with a push
With a shove, with a kick of love

Get up, get off your seat
Move your feet, just do what He said
It's all in your head, it's all in your head

Get up, get off your seat
Move your feet, just do what He said
It's all in your head, it's all in your head

Forgetting what's behind
Now's the time to go where you're led
It's all in your head, it's all in your head

Press on, press on for the prize
It lies up ahead, it lies up ahead
It lies up ahead

Forgetting what's behind
Now's the time to go where you're lead
It's all in your head, it's all in your head
