

# Smokey Joe's Cafe

## The Robins

One day while I was eating beans at Smokey Joe's Caf    
Just sittin', diggin' all them scenes at Smokey Joe's Caf  

A chick I'd never seen before  
Came walkin' on in through the door  
At least I'd never saw her down at Smokey Joe's Caf    
And I started shakin' when she sat right now next to me

Her chair was there right next to mine at Smokey Joe's Caf    
A chill was running down my spine at Smokey Joe's Caf    
I could smell her sweet perfume  
She smiled at me, my heart went boom  
Then everybody in the room at Smokey Joe's Caf    
They said "Man be careful, that chick belongs to Smokey Joe"

Then from behind the counter, I saw a man  
A chef hat on his head and a knife in his hand  
He grabbed me by the collar and began to shout  
"You'd better eat up all your beans boy and clear right on out"  
I know I'll never eat again at Smokey Joe's Caf    
And so we'll never meet again at Smokey Joe's Caf    
I'd rather eat my chili beans  
At Jack's or John's or Jim's or Jean's  
Than taking my chances eating down at Smokey Joe's Caf    
I risked my like with that Smokey Joe's a crazy fool
