Towards Babylon

Behemoth

Leviathan!
Eternally Thy powers rage within
I am reborn
PurifiedIn the burning flames ov Sodom
By the powers ov the gods
Awaken the mighty Will
That shalt carry me through eternitiesFaceless One!
Avenge my torment
Materialize my utmost Will
Beyond all legends and mythsThou art the emissary ov the beast
Thwart the realm above
Spawning might below"Give us the flesh"!
"Give us the will" I command!
Dumuzi Lord
Godhead immaculate!
Thou art the sun
Toward the light feel no shame
Ia Asag!
Forever Thou shalt remainIn victory I burn
Masacrate the enemy
In battle that I hath already won
Thee I invokeBrothers ov Ariman's seed
Thou hast aroused all beings in me
Come All in One
ResurrectedStronger than death Thou hast become
Revert my death
Hail to my return
Tis time to reign as a god among man"Give us the flesh"!
"Give us the will" I command!
Dumuzi Lord
Godhead immaculate!Thou art the sun
Toward the light feel no shame
Ia Asag!
Forever Thou shalt remainAppolyon
O resplendant flame
Begotten ov beyond
May I coruscate eternallyGods ov all perfection
I command - come forth!
In company ov you're

All doubts and fears eclipsed
