

The Beat of My Heart

Joe Vitale

Always here, I'll be close to you
But you won't see me
On the street or underground
I'll be there somewhere
You can look around, you can listen out
But you won't find me
Beyond the shadow of a doubt
Oh, I'll be there for you
You've been living in another world
Ever since I met you
Don't wanna treat you like a little girl
I know you better
To the beat of my heart
If you listen closely now
To the beat of my heart
You'll find your way home
The beat of my heart
You won't be lonely
Girl I'm here
And I'll always be there when you need me
Close at hand, never far away
I'll be there for you
You're such a crazy little pretty girl
How could I forget you
You tried to take me to another world
But I wouldn't let you
And the beat of my heart
If you listen closely now
The beat of my heart
You won't be lonely
The beat of my heart
Better listen to me now
The beat of my heart
Calling you home
Ooh, the beat of my heart
You won't be lonely
You've been living in another world
Ever since I met you
Don't wanna treat you like a little girl

I know you better
And the beat of my heart
If you listen closely now
The beat of my heart
You won't be lonely
The beat of my heart
Better listen closely now
The beat of my heart
And it's calling you home
Ooh, the beat of my heart
If you listen closely now
To the beat of my heart
You'll find your way home
Ooh, the beat of my heart
Ooh, the beat of my heart
It's calling you home
