You're Worth It

Cimorelli

You are not your make up, not your clothes
An anonymous face that no one knows
YouÃ¢Â€Â™re not a skin color, a pretty face
The number of inches around your waist
There Ã¢Â€Â™s so much that you've been through that nobody knows
So many things you never show.YouÃ¢Â€Â™re more than labels
More than pain
Baby, youÃ¢Â€Â™re more than your mistakes
And you've got something to sayWhen will you realize
Baby, youÃ¢Â€Â™re worth it
You donÃ¢Â€Â™t have to do anything to earn it
Baby, youÃ¢Â€Â™re perfect
You deserve it
When will you see what I see
And realize youÃ¢Â€Â™re worth itYou are not a burden, not a waste
You are not a copy, canÃ¢Â€Â™t be replaced
YouÃ¢Â€Â™re not your pain, youÃ¢Â€Â™re not your past
Your scars will never hold you back
There's so much that you've been through that nobody knows
So many things you never showYouÃ¢Â€Â™re more than labels
More than pain
Baby, youÃ¢Â€Â™re more than your mistakes
And you've got something to sayWhen will you realize
Baby, youÃ¢Â€Â™re worth it
You donÃ¢Â€Â™t have to do anything to earn it
Baby, youÃ¢Â€Â™re perfect
You deserve it
When will you see what I see
And realize youÃ¢Â€Â™re worth itYou're worth it, baby, you're worth it
You're worth it, baby, you're worth it
You're worth it, baby, you're worth it
You're worth it, baby, you're worth it
You're worth it, baby, you're worth it
You're worth it, baby, you're worth it
You're worth itYou're more than labels, more than pain
Baby, you're more than your mistakes
And you've got something to sayWhen will you realize
Baby, youÃ¢Â€Â™re worth it

DonÃ¢Â€Â™t have to do anything to earn it
Baby, youÃ¢Â€Â™re perfect
You deserve it
When will you see what I see
And realize youÃ¢Â€Â™re worth itYou're worth it, baby, you're worth it
You're worth it, baby, you're worth it
You're worth it, baby, you're worth it
You're worth it, baby, you're worth it
You're worth it, baby, you're worth it
You're worth it, baby, you're worth it
You're worth it
You're worth it
