# Closer To Me

## Megan & Liz

Too many memories and phone calls
Too many pictures of you on the walls
And not enough of you in my arms, whoa

I count the seconds with my heartbeat
I close my eyes and see you here with me
I feel the miles standing in between
I'm still alone and

Days go by
Are we getting closer to a better life?
I can't say "I love you" through a million wire
So tell me when will you be closer to me?
Closer to me

Do you miss me like I miss you?
Or see my face in everything you do?
I dream about you in the light of day
I'm not okay and

Days go by
Are we getting closer to a better life?
I can't say "I love you" through a million wire
So tell me when will you be closer to me?

All I know is that I want you here
And when you're gone I disappear
All I know is every time you leave
You take the biggest part of me with you

Days go by
Are we getting closer to a better life?
I can't say 'I love you' through a million walls
So tell me when will you be closer

Days go by
Are we getting closer to a better life?
I can't say "I love you" through a million wire
So tell me when will you be closer to me?
Closer to me

Closer to me
Closer to me
