Damn

Profyle

Damn
Whoo
Profyle Hmm, kick this straight
Come onI love the way you walk (walk)
Wanna hear you talk
Something 'bout your thighs
Made a nigga rise
The way you wear you hair (hair)
Ain't a woman here that compares
I'm feelin' what you do
So let me do it with youMake a nigga say damn (Damn, damn, damn, ooh)
Make a nigga say oh damn, Goddamn, hot damnMake a nigga say damn (Damn, damn, damn, ooh)
Make a nigga say oh damn, Goddamn, hot damnJump into my six
I'ma drop these chips
Let's get up on this room
You're about to meet your doom
Now, when you raise up out this bed
You might find yourself kinda bow-legged
Now don't get mad at me
'Cause I'm penetratin' rather deeplyBy the time that we are through
Screamin' the words girl, "Ooh, Ooh, Ooh"
Oh damn oh oh damn
By the time that we are through
Screamin' the words girl, "Ooh, Ooh, Ooh"
Oh damn, oh damnNow that we are through
Gotta a question for you
Tell me was it good?
Was it "Mmm-mmm good" to you?
Lying there in the bare
Girl you need to beware
I'll hop back in that bed
And from the back I pull your hairBy the time that we are through
Screamin' the words girl, "Ooh, Ooh, Ooh"
Oh damn oh oh damn
By the time that we are through
Screamin' the words girl, "Ooh, Ooh, Ooh"
Oh damn, oh damn
