No Fault Insurance

Natas

(Chorus)

I know that I'm crazy
It's nobody's fault but mine
I know that I'm lazy
It's nobody's fault but mine
I know you don't love me
It's nobody's fault but mine
I know that you hate me
It's nobody's fault but mine

Once again it's on, 357 chrome Damn what's goin' on in my maggot dome
A pill poppin', hip hoppin' nigga with a death wish Suicidalist but I'm still so selfish
Used to have this hoe, that anotha while ago But the bitch played out like disco, cisco
Drinkin' dead bodies, stinkin' nervous twitch Eye blink I stabbed her 26 times with my dagger Jiggy Skwagger style I gave a smile Rigamortis body froze Them slit her throat then watch her shake till her eyes close A bloody body on my bathroom flo' When the cops came to get me I said so, hey yo

(Chorus)

1, 2, 3 pigs knockin' at my do' Tryna catch the big bad wolf, I blew they house down, BOOM Bacon all over the room Say hello to my little friend I bust a shot again 3 cops dead, now I'm called the cop killa Illa cap peela Bullet body full of bloody naps Bust caps in Superman kneecaps I can't believe she didn't love me so she didn't breath I took her to the place where the sun don't shine Without you, there's no me, so I'm goin' out my fuckin' mind Runnin' blind with the bloody steel piece I didn't know I was surrounded by police And all I said was

(Chorus)
